Samuel Pepys

On Tuesday 31st January Samuel Pepys visited Year 2 to tell us all about 'The Great Fire of London'. The children really enjoyed learning about different facts. Here are some of their comments:

Samuel Pepys buried his things so they wouldn't get burned – Ria

The Fire spread from roof to roof because they were made out of straw – Ciara Jayne

Samuel Pepys stayed in his house for as long as he could when the fire started. His house didn't get burnt:

Police and Fire Service

This half term Upper Foundation Stage has been learning all about "People Who Help Us". We have thought about how different people in our lives and in the community help us every day. To finish our topic we were lucky enough to have a visit from police officers and some firemen. The police officers told us all about their jobs and how they help people in our local area; protecting us from criminals and helping people when they are lost. They even let us try on their helmets; we loved pretending to be policemen!

The police also reminded the children how important it is not to talk to strangers and to keep themselves safe. This is an important message for all our children, especially for some of our older children who walk home by themselves.

In the afternoon the firemen came in their engines; we had a look around the engine, talked about the equipment and even got to squirt some water! The firemen then told us all about their special protective uniform and answered lots of questions we had asked. We really enjoyed our day and we hope some of us can become police officers and firemen too!

Fire safety

The firemen also talked to Year 5 about the dangers of fire and how we can help prevent them. The children were asked to think about their home and to make a fire escape plan in case a fire was to happen in their home. Finally, the fire service finished the talk about the dangers of hoax calls.

School Nurse Visit to Year 3

The school nurse visited Year 3 to help us understand the importance of brushing our teeth. We looked at what foods cause our teeth to become unhealthy. We also learned how many times we should brush our teeth a day and how many times we should go to the dentist in a year. As a class we told the nurse how to brush her teeth saying where to start and how to remember not to miss any teeth. The nurse told us about how we can check our tooth brushes to make sure that they are fit for the job. Year 3 had an amazing time and now everyone knows how to look after their teeth.

RNLI Assembly

The RNLI visited Key Stage 1 and 2 children. They explained the work they carry out and when the children might be in a situation when needing to use them. A number of children took part in wearing the equipment as well as holding the flags we would see on the beach. All the children learnt what flags stand for and the signal to use if they ever need help out at sea. The RNLI volunteers gave the children lot of interesting information before answering any questions they had to ask.

Reports

Mid-year reports were sent home last Friday. We hope you find these useful in helping you to know how your child is doing and what their next steps of learning are. If you have any questions your child's report, class teacher will be happy to speak to you.

Attendance

Your child's report shows their attendance for the Autumn term. The government expects all children's attendance to be **96%** or above which is the same as **8 days** absence over the year. If a child's attendance falls **below 90%**, or 20 days absence a year, this is classed as **Persistent Absence and a fixed penalty notice can be given.**

Please support us in making sure your child attends school regularly and makes the most of their education.

Tanzania

During half term, I am travelling with 10 other colleagues from schools in Yorkshire to visit Tanzania in Africa. This is part of a project to develop learning resources to help children learn about the lives of children in other places. I will be visiting a number of primary schools and our children have already been thinking about what they would like me to ask and find out. I will be taking lots of photos and videos to share when I get back and hope to find a reliable internet connection to share some of these with you on our Facebook page whilst I am away.

World Book Week

World Book Week is taking place from **Monday 27th Feb –Friday 3rd March** this year and we are celebrating in a number of ways:

Thursday 2nd March: Dressing up day

We all enjoyed dressing up for Roald Dahl day so we will have a **book character dressing up day** on Thursday 2nd March. If your child particularly loved their Roald Dahl costume, they may want to wear it again or swop with a friend or think of a new book character to be!

Airedale Library Story and Activity sessions:

- Year 1: Wednesday 1st March am
- Year 2: Thursday 2nd March am
- Year 3: Friday 3rd March am
- Year 4: Wednesday 8th March am
- Year 5: Friday 3rd March pm 5S, Wednesday 8th March pm 5G
- Year 6: Wednesday 1st March pm, Thursday 2nd March pm

Inspire Parent Book Week workshops: (1.45 pm refreshments, 2.00pm start)

- Year 3: Wednesday 1st March
- Year 4: Tuesday 28th February
- Year 5: Monday 5th March
- Year 6: Friday 3rd March

Upper Foundation: Monday 27th Feb **morning**

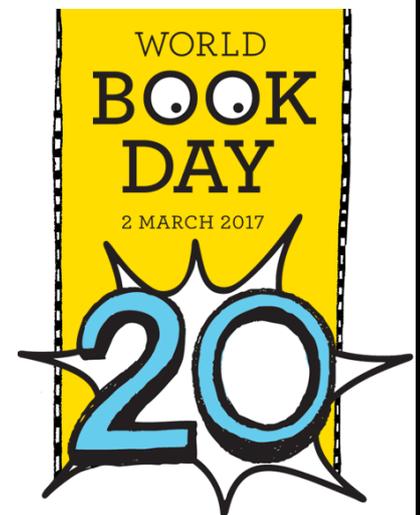

Headlice

Please remember to check your child's hair each week for headlice and their eggs (nits). They are very common in most primary schools and we have a few cases at the moment. Remember that chemical treatments only kill the live lice not the eggs and hair will need treating again a week later to catch any more that have hatched.

Staffing update

This week we wish Mr Preval 'goodbye and good luck' as he leaves us to start a new job. We thank him for all the help and hard work he has given in supporting staff, children and parents during his time here.

We are sad to inform you that the lollipop lady has died suddenly and unexpectedly. Our sympathy and thoughts go to her family. **Please make sure that until another crossing patrol is in place, that you cross the road carefully and remind any older children who walk to school on their own to take care when crossing.**
