Welcome Back:

Firstly, we would like to welcome you all to the new school year. We hope that you have had a happy and safe holiday. Also, a very warm welcome to all our new pupils and their families and we look forward to getting to know both you and your child during their journey at Oyster Park.

We have had a fantastic start to the new academic year, the children have all settled within their new classes and have made us all so proud with their positive attitudes to learning.

Please remember that school doors open at 8:50, and ensure that your child is on time, so that lessons and learning can commence promptly at 9am.

Social Skills Curriculum

During Social Skills this week the children across school have been taught about the importance of good manners and table etiquette. The children considered what good manners might look like within the classroom, dining hall and the wider community. They thought about how by using good manners they can show courtesy and politeness to other people around them. The children discussed how they would feel in different scenarios such as someone not holding a door open for them or not saying thank you to them. They also thought about how they can show good table manners during lunchtimes and dining etiquette. The children reflected on how having good manners is about respecting others and yourself and how this links to our school values. We ask parents to support us with reminding children to use please and thank you.

School Uniform

Our school uniform plays an important part of our school ethos, it supports building our sense of belonging and community. It is essential that all children wear our school uniform including black school shoes – trainers are only permitted for your child's PE days. Please ensure that children are dressed in line with policy each day. May we also ask that you label each of child's possessions with their full name. As you can appreciate many children come to school with the same brand of clothing, all items being named will ensure that misplaced items can be swiftly returned to the rightful owner.
