### Welcome to the Summer Term!

The children have returned back to school after the Easter break refreshed and ready to learn. We have a busy term ahead with lots of exciting curriculum learning planned.

### Remembering Prince Philip

As part of our British Values Curriculum, last week across school we shared an assembly to remember the life and achievements of Prince Philip. Across Key Stage One, the children learnt about who Prince Philip was and the different things that he has accomplished throughout his career as the Duke of Edinburgh. In Key Stage Two, the children discussed what they felt his greatest achievement was and explained their reasoning behind this.

### Social Skills: Community

During the first week of the Summer term, our Social Skills theme was community. The children discussed what the word community means and the different people and places that make up a community. The children came up with some fantastic suggestions out how we can support our local community such as not littering, joining local groups and teams and always trying our best to help others in our community.

### Social Skills: Pride

Last week in Social Skills, we have recognised our achievements and discussed what it means to feel proud. The children shared different things that they are proud of considering what they may be good at or something that they have worked hard to achieve. We reflected on why we should be proud of every step we take to achieving a goal.

### Royal Mail Heroes Stamp Design Competition

This week the children will have the opportunity to enter The Royal Mail Heroes Stamp Design Competition. The Royal Mail are looking for eight new stamp designs that celebrate the amazing achievements of Key Workers throughout the pandemic. Children will receive more information from their class teachers next week. We can't wait to see your amazing designs!

### INSET Day

Please be advised that **Thursday 6<sup>th</sup> May** school will **closed** for an INSET day. As this is a planned closure day, remote learning will not be provided to pupils as staff will be partaking in staff training.

### Ramadan

Last week in school the children developed their knowledge of the festival of Ramadan. Ramadan is a very important time in the Islamic calendar, and Muslims all over the world participate. Within each of the year groups, children participated in discussions about the traditions of Ramadan and why it is important to those who follow the religion Islam. Such as during the month of Ramadan, Muslims fast where they don't eat or drink between dawn and sunset. The children completed a range of activities to develop and deepen their knowledge and understanding of this festival. The children also looked at Eid, the celebration following Ramadan.
