

Key Dates

School closes for Half Term

Friday 28th May 2021

School reopens for pupils

Monday 7th June 2021

School closes for Summer

Friday 23rd July 2021

Royal Mail Stamp Competition

Throughout May, the children in school were invited to design a stamp for the Royal Mail Stamp Competition. The stamp design celebrated the amazing achievements of our Key Workers throughout the pandemic. The children carefully considered their designs, and we received many amazing designs that honoured the work and commitment of our Key Workers.

The Butterfly Project

Across school we have participated in the Butterfly Project which is a project led by a local artist called Tony Wade that has been commissioned by Wakefield Council. The project aims to create 5 installations across 5 libraries one of which is Airedale. The installations are called The Butterfly Effect and focus on the small changes we can make, every day, to help the environment. Each child thought about a way that they could help our environment and wrote this on a Butterfly. The final installation will be installed in Airedale Library over the Summer.

Social Skills- First Aid

This week in Social Skills we have focused on First Aid. The children considered how they would react and what they would do in different scenarios. We thought about how everyone can be a First Aider, but it is important to ensure that you always keep yourself and others safe. Children discussed how to respond to an emergency including calling an ambulance and what they need to do and say.

Schools' Football Week

To celebrate 'School's Football Week' we have implemented a range of football skills within our PE lessons. The initiative gives children across the school Chance to showcase their football talents. We have linked the lessons to social and emotional well-being as well as the importance of exercise for physical and emotional health. We discussed the impact of two individuals:

Schools' Football week continued

Marcus Rashford and Megan Rapinoe. We discussed their impact within football and on the wider world. For example, Marcus Rashford's incredible Free School Meal scheme with Fare Share during the lockdown.

The children have enjoyed practising their football skills and have really enjoyed playing mini games.

Airedale Food Bank

We are delighted to be able to support our local community by providing a drop off point at our school for the Airedale Food Bank and Baby Bank run by the Airedale Neighbourhood Management Board. The foodbank is currently issuing approximately 50-60+ food parcels every week and dealing with the same number of requests for the Baby and Children's Bank, so donations really are so important. Any items received into school for the charity would be greatly received. The food parcels and baby/child parcels are each tailored to an individual family, depending on their need. Non-perishable items such as baked beans, spaghetti, tinned fruit and vegetables, rice pudding, pasta, rice, cereals, packet foods etc. Donations for the baby and children's bank may include sealed milk formula, nappies (any size), baby wipes, nappy bags, pouched or jars of baby food, baby wash, baby shampoo, baby shampoos etc.

If you have anything you would like to donate, please can your child bring the items to school in a plastic bag or drop off items at the school reception. We will be continuing to provide the drop off point across the Summer term. Thank you in advance for your kindness and generosity in supporting our local community.

CELEBRATE

Class	Attendance National average is 96%	 Star of the Week	Writer of the Week 	Hall of Fame
Morning Nursery Miss Ramzan	86%	All Nursery	Logan
