Transition**  
Thursday 15<sup>th</sup> July 2021

**School closes for Summer**  
Friday 23<sup>rd</sup> July 2021

**School Opens for  
New Academic Year  
2021-2022**  
Wednesday 8<sup>th</sup> September  
2021

### Social Skills: First Aid

In Social Skills this week we have continued to develop our knowledge of the essential life skill of First Aid. Our focus has been choking and developing an understanding of how to respond appropriately and safely when someone is choking. The children learnt about different items things that can create choking hazards for both children and adults and what could be a sign or symptom of someone choking. The children then discussed what they should do if someone is choking and how they can seek medical help if required for a choking casualty.

### Islam Workshop

On Tuesday, the children in Year 4 and 5 took part in an introduction to Islam workshop delivered by Imran Kotwal. To build upon the children's cultural capital, Year 4 During the session, children were exposed to the five pillars of Islam where the children were encouraged to discuss and ask any key questions to address any misconceptions they may have about this particular religion. To further their understanding, the children were exposed to a range of artefacts to develop and deepen their understanding of the religion. The children enjoyed listening to a reading from the Qur'an.

### Year 6 Puberty Workshop

On Tuesday, health professionals visited Year 6 to speak to them about how to keep and maintain a healthy lifestyle. During the session they discussed the changes that occur during puberty, changes to our bodies and to our hormones and how this can at times affect our mood. They also discussed the need to pay particular attention to our personal hygiene.

### **Year 6 Drug Awareness Workshop**

On Monday, Year Six, were visited by Police Officer, John Day from The Children's Charity, who ran an informative workshop on drug awareness, discussing the difference between legal and illegal and prescriptive and recreational drugs. He shared the effect that they had both on people's bodies but also the massive impact that drugs can have on people's lives, equipping them to make informative choices in the future. The children had the opportunity to ask questions and acted maturely throughout the session.

### **Get ready to go wild for this year's Summer Reading Challenge** **'Wild World Heroes'!**

#### **Wakefield Library Summer Reading Challenge – Wild World Heroes!**

From Saturday 3rd July 2021 you can sign up at any Wakefield Library including our local Airedale library for the Wild World Heroes, 2021 national Summer Reading Challenge! This year the Reading Agency has teamed up with libraries and the World Wildlife Federation (WWF) to encourage children to engage in fun reading focused on environmental issues and nature such as plastic pollution, deforestation, wildlife decline and nature loss.

The Wild World Heroes live in Wilderville, a pretty cool place, but there are lots of things that the Wild World Heroes can do to make their town even better for the people and animals that live there.

The challenge runs until Saturday 11<sup>th</sup> September 2021 in all Wakefield libraries and mobile libraries.

Children are being asked to read 6 books to help the Wilderville children make a difference to the environment. As they read library books, they will collect stickers for their folder. After reading 6 books they earn their certificate and medal.

Children can read any library book of their choice; fiction, non-fiction, picture books or books they share with parents and carers – they all count. The under threes are not forgotten with a special version of Wild World Heroes just for them.

The Summer Reading Challenge is delivered by libraries and produced by The Reading Agency. It is open to all children, free of charge.

Children can take part in the online Summer Reading Challenge on the [Wild World Heroes website](https://www.wildworldheroes.com) to earn digital rewards.

## We Need Your Help

This year there are extra free prizes available to the top 5 schools who signs up the most children to the challenge, including free books and the chance for a real-life author visit into school. Get down to your local library and get signed up!

# CELEBRATE
