Term
Friday 28th May 2021

School reopens for pupils
Monday 7th June 2021

School closes for Summer
Friday 23rd July 2021

End of Spring Term!

As we close for the Easter holidays, we would just like to express a huge thank you to all our children, staff, parents and governors for their dedication and commitment in such unprecedented times. Your continued support in making the current circumstances the best they can be for the children of Oyster Park Primary Academy is greatly appreciated.

Bronze Rights Respecting Award

We are extremely excited to announce that we achieved our UNICEF Bronze: Committed Rights Respecting School Award. As a school we began our journey to becoming a Rights Respecting School by introducing our children and staff to what rights are.

As part of achieving our Bronze award as a school we have considered what our next steps are and how we can and what we need to do in order to achieve the Silver award. This will include teaching and learning about rights, teaching and learning through rights and teaching and learning for rights. Through this we hope to develop our children's wellbeing, participation, relationships and self-esteem.

Social Skills: The Importance of Sleep

This week our Social Skills theme has been the importance of sleep. During our sessions in class, we have discussed how sleep is an essential part of everyone's routine and an indispensable part of a healthy lifestyle. We have reflected about how much sleep we have each night and ways we can try to improve our sleep. Studies have shown that children who regularly get an adequate amount of sleep have improved attention, behaviour, learning, memory and overall mental and physical health.

West Yorkshire School Games Week

In PE this week, our children have been taking part in the West Yorkshire School Games week challenge. Each day during PE, the children have been taking part in a variety of activities including; Cricket, Street Dance and Skipping. Each activity had three challenges to attempt, set by some of Yorkshire's best professional coaches. The challenges included a Bronze, Silver and Gold task, which encouraged the children to try their best to achieve a medal. Teachers emphasised the importance of being active for at least one hour per day, especially during such an unprecedented time! Not only is physical exercise good for our overall health, it boosts our immune system and releases positive endorphins which help improve our wellbeing.

Anti-Bullying Ambassador Training

On Thursday morning, nine children from Year Three to Year Six began their training to become Anti-Bullying Ambassadors as part of The Diana Award. The session focused on what bullying is and how we can tackle it, understanding how bullying can make people feel, how we can support others and beginning to consider our Anti-Bullying campaign.

The children were fantastic ambassadors for our school and approached the session with a mature and respectful attitude.

Holi

As part of our Spring festivities, children at Oyster Park took part in a range of Holi activities and celebrations. The children discussed the festivals within their class and then applied their learning. The activities were based around dance and colour, again linked to the festival. Year 1, 5 and 6 enjoyed experimenting with colour to create pieces of artwork based on Holi. Years 3 and 4 took part in their own interpretation of the Holi colour festival. The children thoroughly enjoyed completing the activities.

History National Archives

The children in Year 2 participated in a zoom workshop with the National Archives. During this session, the children discovered what the National Archives is and why it is important. The children became 'History Detectives'. They examined several pieces of evidence to answer questions linked to The Great Fire of London. The children used their prior knowledge from their Geography and Design Technology lessons to help them make deductions about the past.

This session was a fantastic introduction to our topic and the children are looking forward to finding out more about The Great Fire of London within our History lessons after the Easter holidays.

Comic Relief

Thank you for your kind donations in support of this year's Comic Relief fundraising effort. We raised a total of £238.

Ofsted

As you are aware on the 2nd March school was subject to a remote Ofsted monitoring visit as part of a national survey of schools looking at our response to the pandemic and the quality of education being provided. This is not a graded inspection, although the inspection team identified several positive developments since our last full inspection. **'Leaders and those responsible for governance are taking effective action to provide education in the current circumstances.'** A copy of the complete report can be found on our school website.

INSET Day

Please be advised that **Thursday 6th May** school will **closed** for an INSET day. As this is a planned closure day, remote learning will not be provided to pupils as staff will be partaking in staff training.

'Egg'cellent Effort

Thank you to everyone who entered into our annual egg decorating competition. Once again, we were blown away by the creative efforts of our children. Take a look at some of the fantastic entries!

Happy Easter from Oyster Park

CELEBRATE
