• **School Closes for Easter**

5.4.19

• **Easter Holidays**

8th April - 22nd April

• **School Opens for Summer
Term**

23.4.19

Safer Internet Day 2019

On Tuesday 5th February, we celebrated another Safer Internet Day in school. This is an event where people all over the world look at the importance of internet safety and this year's theme was together for a better internet. Children in KS1 and KS2 started the day with an assembly, which told a story of two monsters playing a game online. The key message of this story was to always ask permission whenever you go online. We then spent the afternoon looking at which information we should never share online and which websites were safe to access. An Internet safety leaflet will be sent home for your child to share with you.

More information on how you can help keep your child safe whilst using the Internet can be found on our school website.

Year 3 Leeds City Museum

As part of their topic this term, 'The Land of the Pharaohs'

Year 3 went on an exciting visit to Leeds City Museum. The children had the opportunity to take part in a fantastic Ancient Egyptian workshop that began by exploring the Ancient Egyptian exhibit. The children even got the chance to see a real-life mummy called Nesyamun! They then put what they had learnt about mummification into practice. The workshop leader said how impressed she was with their knowledge of the Egyptians. Following this, we made our own amulets based on the artefacts we had seen. It was a very exciting and memorable day where the children enjoyed seeing many artefacts that had been discussed within topic lessons.

Winter PE Kit Reminder

As the winter weather has well and truly set in please can you ensure that your child is suitably equipped with PE kit for both indoors and outdoors PE sessions. Outdoor PE kit black jogging bottoms, black tracksuit top and trainers or black pumps. Please ensure that all clothing items are clearly labelled with your child's name to ensure items are not misplaced or lost.

Children's Mental Health Week

In support of Children's Mental Health Week over the next few weeks, we will be exploring this year's theme – Healthy: inside and out. This week our focus has been exploring internet safety and how to seek advice if you are upset about anything you have experienced online. Additional information on Mental Health Week can be found on
