Core Values Assembly

This week our Social Skills theme has focused on our school values, 'Ambition, Bravery and Respect'. We discussed the meaning of each word and added a memorable action that reminds us of each value. The children shared their own ambitions for when they are older with many fantastic responses ranging from a Police Officer to an Astronaut! We then considered bravery, focusing on how bravery means facing our fears and how we can apply that to our daily lives. Finally, we thought about our value of respect. The children were able to list many different ways that we can show respect many of which linked to our school's British Values.

Safeguarding: Keeping Children Safe Online

The NSPCC in partnership with O2, have produced information and support for parents on how to keep children safe when they are using the Internet, social networks, apps, games and more. Net Aware offer parents useful information about each social network, including guidance on age restrictions. If you wish to find out more information on how to keep your child safe whilst being online. Please visit - <https://www.net-aware.org.uk/>

Red Nose Day

Red Nose Day was a big success and we raised £257! Thank you to everyone who kindly donated to Comic Relief.

Polite Notice

A polite reminder that children and parents are not to ride round the playground and paths on their bikes or scooters at the beginning and end of the school day. This is for the safety of all children, parents and staff. Bikes and scooters should be dismantled at the gate and wheeled to the bike shed. At the end of the day, the children are asked to collect their bikes and scooters from the shed and wheel to the gate before mounting. We thank you for your support.

Dinner Money

A polite reminder to parents and carers that dinner money must be paid every week and in advance. Please can you ensure that any outstanding payments are made at the School Office.
