Monday 3<sup>rd</sup> June
- **Year 1 Castles Workshop**  
Monday 3<sup>rd</sup> June
- **Year 2 Yorkshire Wildlife Park Visit**  
Thursday 6<sup>th</sup> June

### Bug Club

At Oyster Park Primary Academy, we value the importance of reading. As a school, we have recently subscribed to the online reading resource Bug Club. Bug Club is a whole school phonically based online reading scheme with interactive activities that hooks children into a lifelong love of reading through stunning books and an incredible online reading world filled to the brim with popular characters.

Each child has a personalised homepage where they'll find the e-Books they've been allocated by the teacher and motivating rewards. This ensures that each child can find a book at exactly the right level for them. The online reading world ensures children can access independent reading resources anywhere at any time. New books will be allocated regularly. This week you will have received a leaflet with key information to support you in accessing Bug Club at home. Please encourage your child to access this resource in their free time.

### Potential School Closure- European Elections Update

As you are aware following last week's newsletter an unexpected closure day is planned for 23<sup>rd</sup> May 2019. This is due to the withdrawal from the European Union not being finalised. The Government have informed us that the latest date in which they can cancel the election is 22<sup>nd</sup> May 2019. We understand the disruption and inconvenience this may cause and intend to inform parents as soon as possible if the election is cancelled and we can open school. Thank you for your understanding.

### Attendance

Thank you for your support in our drive to improve school attendance. We were delighted at the end of the Spring Term when our school attendance was 95.66%, an improvement from 94.81% at the end of the Spring Term 2018. The national attendance target for Primary Schools is 96%. Our drive to improve attendance will continue through our Club 100 attendance initiative and we thank you in advance for your continued support, as research shows improved attendance ensures children make better progress within their learning.

If you would like to discuss your child's attendance or have any concerns please contact school and speak to our Attendance Officer, Mrs Mohammed.

# CELEBRATE

Class	Attendance National average is 96%	 Star of the Week	Writer of the Week 	Hall of Fame
