- **Y3 Hull & East Riding Museum 18.10.18**
- **Y5 Bonfire Talk 18.10.18**
- **Parents Evening 23.10.18**

### Author Visits Reception – Eleanor McKone

This week Reception had a visit from first time author Eleanor McKone. She came into school to read her brand new book 'Pipers Passport – first stop Australia!' To begin with, Eleanor explored with the children whereabouts in the world Australia was before learning key information and facts about Australian animals and places within Australia. The children then had a go at completing some Australian animal jigsaws and created their very own aboriginal snake art. Afterwards they decided to take inspiration from the storybook and went on their very own adventure. The children went past wild animals, went over a mountain, through the deep dark wood, swam through a crocodile invested river before returning back safely to school. It was a fantastic imagination filled afternoon and we look forward to adding Eleanor's books to our library in the future.

### Pizza Planet Takes over Year 2

On Monday Year 2, were invited by the owners of Pizza Planet to become chefs and create their own delicious pizzas. The children were really excited about the opportunity and wanted to share everything that they had done. They were fully immersed in their writing. They wrote their own set of instructions for making a pizza which could be added to the Pizza Planet recipe book. They began by making invites to their party for Mrs Lindsay and Mrs Bodycombe, who joined them at their pizza making party. Then, they made the pizzas and were challenged to write their own set of instructions, not forgetting eating their delicious pizza creations!

### Macmillan Coffee Morning

We are delighted to let you know that last week at our Macmillan morning we raised £250 for this fantastic charity. Once again thank you for your support and contributions.

### **Social Skill Assembly: Honesty**

This week our assembly focus has been about 'Honesty.' We have discussed the importance of telling the truth at all times and how if you tell lies no one will believe you even when you are telling the truth. During the assembly, the children listened to a story about what the consequences of telling lies can be.

### **Headlice**

We have had several reports of head lice recently. Please check your child's hair carefully and treat if eggs or lice are found. Even after treatment, regular combing and checking is needed to prevent the return of lice and eggs. More information on tips to prevent or on the treatment of Headlice can be found on the NHS website.

### **Year 1 Local Environment Walk**

In Geography, this week year 1 went for a walk in the local area. They children walked around our school to identify some of the key features of the local area such as roads, houses, shops and parks. Next week the children will be using their findings to sketch maps of our school grounds and the surrounding area using keys to help label different elements.

### **Safeguarding**

The NSPCC have produced a guide for parents called Staying Safe Away From Home. The guide contains top tips and advice for teaching children how they can keep themselves safe when they are out on their own. The guide contains sections on talking to your child about dangers they may face when out on their own and also top tips for giving your child strategies to help them keep themselves safe.

The guide can be downloaded at: <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/staying-safe-away-from-home/>

The link has also been uploaded to the safeguarding section on our school website.

### **Information for parents**

If as a parent or carer, you have any queries and concerns which you would like to discuss with a member of staff, please do not hesitate to make an appointment at Reception to speak to your child's teacher.

If it is a specific enquiry, you will be allocated to the member of staff most suitable to deal with your enquiry.

Attendance queries & concerns – Mrs Mohammad

Safeguarding – Mrs Bodycombe & Mrs Morgan
