

### English Challenges

- Think of a traditional story. Can you retell the story from a different viewpoint? For example the story of Little Red Riding Hood from the view point of the Wolf.
- Can you think of 5 words that you could use instead of said?
- Choose your favourite character from a book. What adjectives would you use to describe their appearance?

### Mathematics Challenges

- Practice your times tables. Do you know the multiplication facts for the 2, 5 and 10 times tables?
- Be the teacher. Can you write your own calculation sentences? Test your family and make sure you know the answers ready to mark their work!
- Write your daily routine. Can you write down what time you do each of the different activities?

### ICT Challenges

- Can you write an algorithm (instructions) on how to wash your hands?
- Create some digital artwork. Think back to our lessons during Spring term.

### Science Challenges

- Can you grow a plant from a seed? Think about what conditions you will need to allow the plant to grow.
- Think about why we need exercise? Can you create your own circuit of exercises? How does your heart rate change as you exercise?
- What would happen if you left ice out in the sun? What happens if you then put it back into the freezer?

## History Challenge

- Find out about toys from the past? How were the toys that your grownups played with different?
- Henry Moore was from Castleford. He is famous for something. Can you find out why?
- In America, they celebrate the 4<sup>th</sup> of July. Why do they celebrate this?

## Geography Challenge

- Design your own town. Can you think which physical and human features will need to be included?
- Think of a place that you would like to visit. Can you find out which country and continent this place is in? What is the weather like there?
- Can you create a poster to encourage people to stop littering?

## Cultural Capital

- In Summer term we were going to learn about Kenya. Can you find out about the culture in Kenya? How is it similar or different our culture?

## General Knowledge Challenge

- The 7<sup>th</sup> July is World Chocolate Day. Can you find out how chocolate is made?
- Create a list of rules of how you can keep safe in the sun and near water.
- In the last set of challenges, we asked you to find out about the different sports at the Olympic Games. Can you find out where the first Olympic Games took place?

## Creative Challenge

- Use recycled materials to create a sculpture.
- Create a bird feeder to encourage birds to visit your garden.
