## Year 6 Leavers Disco

1<sup>st</sup> July 2020

Dear Parents and Carers,

You will be aware that we are fast approaching the end of your child's journey at Oyster Park. Last September, at the beginning of Year 6, none of us could have predicted how this school year would have panned out, with the Government calling for schools to close on 20<sup>th</sup> March. I hope that you and your loved ones have stayed safe and well during this time and managed to adjust to the changes. At that time, we had so many plans in place to celebrate with our leavers. Sadly, due to the current pandemic and following government guidelines, we have had to halt many of these. However, we feel we cannot let this occasion pass, without marking it in some way. Therefore, we would like to invite your child back for a **Leaver's Disco on Thursday 16<sup>th</sup> July from 4:30pm until 6:00pm**. Weather permitting, the disco would take place on the school field, with social distancing measures in place. Please ensure that your child wears appropriate footwear. In the case of bad weather, the disco would take place in the school hall, whilst still maintaining social distancing. To avoid gatherings in groups, we ask that your child does not travel to the disco with other groups outside your family, therefore arranging transport such as a party bus would not be appropriate at this time, as it goes against all the current guidance.

As a school we would like to thank you for entrusting us with your children and allowing us the opportunity to be part of their school journey. We are all so proud of the individuals they have become and we wish them so much luck in the future. They will always be known for their resilience throughout a very difficult time across the world. The Year 6 staff had their time cut short, but even in those seven months, they have watched your child gain the maturity to help them with the next phase. We couldn't be prouder of them and we hope that their chosen high schools take as much care of them as we have here at Oyster Park.

We look forward to seeing all of you to share your child's report on our planned **Parents' Meetings**. If you have not already made an appointment, please contact school to make one. The dates are:

**6K: Monday 6<sup>th</sup> July; 6F: Tuesday 7<sup>th</sup> July; 6E: Wednesday 8<sup>th</sup> July.**

These will take place in the school hall. Both you (one parent) and your child can attend. **Please bring along any reading books you currently have.** Children were all given **two books** to take home in March.

Thank you for all the support you have given us over the years. We really do appreciate it. Please feel free to contact school if you have any questions to ask or if we can help in any way to ensure a smooth transition to high school.

Yours sincerely,

Miss King      Mr Forsyth      Mr Eccles

(Y6 Teachers)
