

Homework

Write a biography on Sir Alan Sugar.

Write a persuasive pitch for a product you would like to sell.

Find out about Mining in your local area and write a report

In what ways can you look after your mental health?

Who can you talk to?

Does exercise help? If so what types?

Does meditation help? Practise the medication techniques Rev Tracy taught you.

Who do you appreciate in your community? How can you show this?

What job would you like when you leave school? What skills and qualities will you need to develop?

Find out where the coal mines were in your local area.

Research how coal is made.

What is coal used for today?

Year 6

This term our topic is 'You're Hired'. The homework projects listed are linked to specific curriculum areas around the world of work, both past and present.

What was coal used for in the past?

Are there any similarities or differences?

Research what life was like working down the mines.

Ask grandparents and great-grandparents about mining.

Design your own product to sell.
Make a poster to advertise it.
Design a logo for your business.

Research the artist Banksy. How does he differ from other artists? Look at his art work. Can you create your own piece of art in the style of Banksy?

Make a net of a box for the packaging. How much will you sell your product for? How much profit will you make?

Compose a jingle for your advertisement.

Compose sounds to represent the habitat of an animal of your choice.

Choose an animal and write about how it adapts to its environment.

Research about the important work Charles Darwin did on explaining how animals evolve.

There are so many ideas you could choose. Let your imaginations run wild! Be creative and try anything that furthers your knowledge and practises your skills.

Miss King, Mr Forsyth, Mr Eccles
